

Or

Sonic Youth

In yr mouth a wad of cash  
Moist roll of hundreds  
Fingers thru yr hair  
Silver quarters drop  
To yr pleated skirt

Cannisters of whipped cream  
In yr sweater pockets  
A look of space and total life  
Ready or not  
The plan is to go to dc and hang out  
Go see girls rock  
How long's the tour?

What time you guys playing?  
Where you going next?  
What comes first,  
The music or the words?
