

My mother used to say  
You're the boy  
That can enjoy  
Invisibility  
I am a boy  
That can enjoy  
Invisibility

Close your eyes  
Make a wish  
Cross yourself  
See yourself  
Feel yourself  
Scream once more  
Move yourself  
Across the floor  
Burn inside  
Between two walls

The advertisement's saying  
That pleasure's ever lasting  
Come touch me

The advertisement's saying  
That pleasure's ever lasting  
Must be dead and gone to heaven  
Come and touch me here  
So I know  
That I'm  
Not there
