

Secret Girl

Sonic Youth

My mother used to say
You're the boy
That can enjoy
Invisibility
I am a boy
That can enjoy
Invisibility

Close your eyes
Make a wish
Cross yourself
See yourself
Feel yourself
Scream once more
Move yourself
Across the floor
Burn inside
Between two walls

The advertisement's saying
That pleasure's ever lasting
Come touch me

The advertisement's saying
That pleasure's ever lasting
Must be dead and gone to heaven
Come and touch me here
So I know
That I'm
Not there
