

Here, there  
Here, there  
Down to the bottom and round on the bottom we go

Here, there  
Here, there  
Down to the bottom and oh what a bottom it is

You had soul  
Uh-oh  
Let it go

Here, there  
Here, there  
Down to the bottom and round on the bottom we go

Here, there  
Here, there  
Down to the bottom and oh what a bottom it is

Uh-oh  
You got a soul?  
Let me go

Kiss beyond, kiss beyond the lips  
Kiss beyond, kiss beyond my lips

Ooh I love - you!

Ooh baby baby  
Kinda crazy, kinda hazy, kinda messy too

Here, there  
Here, there  
Down to the bottom and oh what a bottom it is

Here, there  
Here, there  
Down to the bottom and round on the bottom we go

Yeah baby  
Uh-oh  
You know  
I love you so
