

Sleepin Around

Sonic Youth

Sleepin' around, sleepin' around
What will the neighbors say?
Sleepin' around, all over town
What will the neighbors say?

What you did was wrong
What did you good is gone
Nothing you do is right
Always ends up in a fight

Sleepin' around, sleepin' around
What will the neighbors do?
Sleepin' around, all over town
What will the neighbors do?

What you did was wrong
What did you good is gone
Nothing you do is right
Always ends up in a fight

Sleepin' around, sleepin' around
What will the neighbors think?
Sleepin' around, all over town
What will the neighbors think?

What you did was wrong
What did you good is gone
Nothing you do is right
Always ends up in a fight
