Sonic Youth

Long ago And oh so far away I fell in love with you Before the second show Your guitar It sounds so sweet and clear But you're not really there It's just the radio

Don't you remember you told me you love me baby You said you'd be coming back this way again baby Baby baby baby oh baby I love you, I really do

Loneliness, is such a sad affair And I can hardly wait To be with you again What to say To make you come again Come back to me again And play your sad guitar

Don't you remember you told me you love me baby You said you'd be coming back this way again baby Baby baby baby oh baby I love you, I really do

Don't you remember you told me you love me baby You said you'd be coming back this way again baby Baby baby baby oh baby I love you, I really do
