

# Teen Age Riot

Sonic Youth

You're it  
No, you're it  
Hey, you're really it  
You're it  
No I mean it, you're it

Say it  
Don't spray it  
Spirit desire (face me)  
Spirit desire (don't displace me)  
Spirit desire  
We will fall

Miss me  
Don't dismiss me

Spirit desire

Spirit desire [x3]  
We will fall  
Spirit desire  
We will fall  
Spirit desire [x3]  
We will fall  
Spirit desire  
We will fall

Everybody's talking 'bout the stormy weather  
And what's a man do to but work out whether it's true?  
Looking for a man with a focus and a temper  
Who can open up a map and see between one and two

Time to get it  
Before you let it  
Get to you

Here he comes now  
Stick to your guns  
And let him through

Everybody's coming from the winter vacation  
Taking in the sun in a exaltation to you  
You come running in on platform shoes  
With Marshall stacks  
To at least just give us a clue  
Ah, here it comes  
I know it's someone I knew

Teenage riot in a public station  
Gonna fight and tear it up in a hypernation for you

Now I see it  
I think I'll leave it out of the way  
Now I come near you  
And it's not clear why you fade away

Looking for a ride to your secret location

Where the kids are setting up a free-speed nation, for you  
Got a foghorn and a drum and a hammer that's rockin'  
And a cord and a pedal and a lock, that'll do me for now

It better work out  
I hope it works out my way  
'Cause it's getting kind of quiet in my city's head  
Takes a teen age riot to get me out of bed right now

You better look it  
We're gonna shake it  
Up to him

He acts the hero  
We paint a zero  
On his hand

We know it's down  
We know it's bound too loose  
Everybody's sound is round it  
Everybody wants to be proud to choose  
So who's to take the blame for the stormy weather  
You're never gonna stop all the teenage leather and booze

It's time to go round  
A one man showdown  
Teach us how to fail

We're off the streets now  
And back on the road  
On the riot trail
