

Touch Me I'm Sick

Sonic Youth

Uh
whuuuuuaaaaaaa
whaaa
well I've been bad
and I've been worse
and I'm a creep - yeah
and I'm a jerk
come'on
touch me I'm sick

aaaaah
I won't be long
then I pull a rock
and I'll throw it at you boy
are you paying our drugs (?)
touch me I'm sick
yeah
touch me I'm sick
come'on baby now come with me
you don't come
you don't come
you don't come
you'll die alone

whaaaaa
we're out in the field
and I don't mind
I'll make you love me
till the day you die
come'on touch me I'm sick
fuck me I'm sick
come'on baby now come with me
you don't come
you don't come
you don't come
you'll die alone
