

# Touch Me I'm Sick

Sonic Youth

Uh  
whuuuuuaaaaaaa  
whaaa  
well I've been bad  
and I've been worse  
and I'm a creep - yeah  
and I'm a jerk  
come'on  
touch me I'm sick

aaaaah  
I won't be long  
then I pull a rock  
and I'll throw it at you boy  
are you paying our drugs (?)  
touch me I'm sick  
yeah  
touch me I'm sick  
come'on baby now come with me  
you don't come  
you don't come  
you don't come  
you'll die alone

whaaaaa  
we're out in the field  
and I don't mind  
I'll make you love me  
till the day you die  
come'on touch me I'm sick  
fuck me I'm sick  
come'on baby now come with me  
you don't come  
you don't come  
you don't come  
you'll die alone
