

Youth Against Fascism

Sonic Youth

Another can of worms
Another stomach turns
And yeah, your ghetto burns
It's the song I hate
It's the song I hate

You got a stupid man
You got a Ku Klux Klan
Your fucking battle plan
It's the song I hate
It's the song I hate

A sieg heiling squirt
You're an impotent jerk
And yeah, a fascist twerp
It's the song I hate
It's the song I hate

A black robe and swill
I believe Anita Hill
That judge will rot in Hell
It's the song I hate
It's the song I hate

And yeah, a cross on fire
By a Christian liar
A black attack and fire
It's the song I hate
It's the song I hate

And yeah, the President sucks
But he's a war pig fuck
His shit is out of luck
It's the song I hate
It's the song I hate

Another Nazi attack
A skinhead is cracked
My blood is black
It's the song I hate
It's the song I hate

We're banging pots and pans
To make you understand
We gotta bury you, man
It's the song I hate
It's the song I hate

But I'm a human wreck
A redneck in check
I killed the teacher's pet
It's the song I hate
It's the song I hate

It's the song I hate
It's the song I hate
It's the song I hate

It's the song I hate
It's the song I hate

It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
