

# You Are The Holy One

Sonicflood

I will live to declare Your glory  
And my heart is filled with praise  
I will shout and I will sing  
For all of my days  
Wanna walk in Your holiness  
Wanna stand for all Your ways  
When You call I will say yes  
For all of my days

Wanna die so You can live  
Resurrect my heart again  
I will tell the world  
That You are the Holy One  
You are the Holy One  
And I worship Your name  
You are the Holy One  
And I stand amazed  
You are the Holy One
