It Feels So Good

You always make me smile When I'm feeling down You give me such a vibe It's totally bonafide

It's not the way you walk And it ain't the way you talk It ain't the job you got That keeps me satisfied

R: Your love, it feels so good And that's what takes me high Higher than I've been before Your love, it keeps me alive Thought I should let you know That your touch it means so much When I'm alone at night It's you I'm always thinking of

Oh, oh, baby

Oh, I want you to understand How I feel, deep inside Oh oh, you make me feel All I need to feel Yes, in my heart

R: Your love...
