

# Sleezy

Sonique

You know it aint easy  
Gotta wait until the right time  
Don't wanna seem sleezy  
But I hope you got enough time

Be without your love  
Seek without your love  
Walk without your love  
Be without you

Now i can't hold on  
Be where we two belong  
Oh my heart  
Oh baby won't you hold on  
Youn know that it won't be long  
I see the light  
There's spark-lets in you eyes

I didn't want it easy  
Gotta wait until the right time  
Don't wanna seem sleezy  
But i hope you got enough time

Be without your love  
Seek without your love  
Walk without your love  
Be without you  
(Oh baby don't telling you it aint easy)  
(Oh baby don't tell you i'm not sleezy)

But you can play with my mind  
Better if you take me home  
I know that it would be wrong  
Oh you don't understand  
Baby there's abetter plan  
I know its not now  
Oh baby just wait a while

You know it aint easy  
Gotta wait until the right time  
Don't wanna seem sleezy  
But I hope you got enough time

(Gotta wait until the right time)  
(But i hope you got enough time)

I didn't want it easy  
Gotta wait until the right time  
Don't wanna seem sleezy  
But I hope you got enough time

Be without your love  
Seek without your love  
Walk without your love  
Be without you  
(Oh baby don't telling you it aint easy)  
(Oh baby don't tell you i'm not sleezy)

You know it aint easy  
Gotta wait until the right time
