

# Are You Lonesome Tonight

Sonny James

Are you lonesome tonight do you miss me tonight are you sorry w  
e've drifted apart  
Does your memory stray to a bright summer day  
When I kissed you and called you sweetheart  
Do the chairs in your parlor seem empty and bare  
Do you gaze at your doorstep and picture me there  
Is your heart filled with pain shall I come back again  
Tell me dear are you lonesome tonight

I wonder if you're lonesome tonight  
You know someone said that the world's a stage and each of us p  
lay a part  
Fate had me playing in love with you as my sweetheart  
Act one was when we met and I loved you at first glance  
You read your lines so cleverly and you never missed a cue then  
came act two  
You seemed to change you acted strange and why I'll never know  
Honey you lied when you said that you loved me and I had no cau  
se to doubt you  
But I'd rather go on hearing your lies than to go on living wit  
hout you  
Now the stage is bare and I'm standing there with emptiness all  
around  
And if you won't come back to me then they can ring the curtain  
down  
Is your heart filled with pain shall I come back again  
Tell me dear are you lonesome tonight
