

Burning Bridges

Sonny James

Burning bridges behind me
It's too late to turn back now
Burning bridges behind me
All I want is to forget you somehow

Found some letters you wrote me this morning
They told of a love we once knew
One by one I'd burned them to ashes
Don't want nothing to remind me of you
Burning bridges behind me

Sold the house that we once planned together
Said goodbye to the friends that we knew
Then I moved to a faraway city
Trying hard to forget about you
Burning bridges behind me

All I want is to forget you somehow
