I'll Never Find Another You

Sonny James

There's a new world somewhere They call the Promised Land And I'll be there someday If you will hold my hand

I still need you there beside me No matter what I do For I know I'll never find another you

There is always someone To reach across they say And you'll be my someone Forever and today

I could search the whole world over Until my life is through But I know I'll never find another you

It's a long long journey So stay by my side When I'll walk through the storm You'll be my guide, be my guide

If they gave me a fortune My pleasure would be small I could lose it all tomorrow And never mind at all

But if I should lose your love, dear I don't know what I'd do For I know I'll never find another you

But if I should lose your love, dear I don't know what I'd do For I know I'll never find another you Another you, another you
