

# I'll Take Care Of You

Sonny James

No, don't you worry, I'll take care of you  
I see the tears in your eyes and I know he must be gone  
Yes, I know he told you lies and made you hurt all alone  
Now you're wondering where to go and what to do  
But don't you worry I'll take care of you

You see the world through the rain that came when he left you a  
lone  
Oh it's a shame you must feel pain and keep hurtin' 'cause he's  
gone  
But the sun will shine again your heart will mend  
So don't you worry I'll take care of you

I've been waitin' for this day, dear, just to chance to dry you  
r tears away  
I'll give you love that is strong and make the pain go away  
No, you won't, won't be alone, I'll make sure that you're okay  
I know you say your life is through but that's not true  
No, don't you worry, I'll take care of you  
No don't you worry, I'll take care of you
