

I'm Getting Gray From Being Blue

Sonny James

Ever since you went away it seems I age a year each day
Don't know what I'm gonna do I'm gettin' gray from being blue
Before too long I think you'll see just how bad you're hurting
me

I worry so much over you I'm gettin' gray from being blue

My hair is turning gray from being blue over you
And it's cause I'm a thing you put me through being blue
Oh I'll go along so lonesome you're with someone new
I'm gettin' gray from being blue
I'm gettin' old before my time because I love you and you're no
t mine
You never will be I know it's true I'm gettin' gray from being
blue
(I'm gettin' gray from being blue)
