

I'm Having A Hard Time (getting Over You)

Sonny James

I'm having a hard time getting over you
And telling my friends that we're really through
I cry my eyes out but bygone what it do I'm having a hard time
getting over you
A hard time getting over you

I go on pretending you'll come back again though I know I'm pre
tending in vain
But I'll keep on hoping tomorrow will bring our hearts back tog
ether again
I'm having a hard time...
