

# I Truly Do

**Sonny James**

I do love you, I truly do  
You do love me, you truly do  
It's no secret it's part on every tree  
That I truly love you and you truly love me

Dreams do come true, they truly do  
Wishes do too, they truly do  
There's no love truer than my love for you  
I do love you, I truly truly do

Dreams do come true  
I truly truly do, truly do
