

I Wish It Hadn't Happened

Sonny James

Oh I wish it hadn't happened I wish it hadn't happened
It wasn't worth the pain I'm going through
Oh I wish it hadn't happened I wish it hadn't happened
It wasn't worth the price of losing you

I fell in love with a new love I thought my new love was true l
ove
I swapped the perfect apple for a bad one now I'm the sad sad s
ad sad sad one
Oh I wish it hadn't happened...
Oh I wish it hadn't happened...
