

## Near You

Sonny James

There's just one place for me, near you  
Seems just like heaven to be near you

Well, times when we're apart  
Oh, I can't face my heart  
Say you'll never stray  
More than just two lips away

If my life could be spent near you  
I'd be more than content near you  
Well, make my dreams come by telling me  
That you'll spend the rest of my life near you

Well, times when we're apart  
Oh, I can't face my heart  
Say you'll never stray  
More than just two lips away
