

# On The Fingers Of One Hand

Sonny James

On the fingers of one hand  
On the fingers of one hand  
Life can all be counted  
On the fingers of one hand

Count your little finger on the day you born  
See the fingernail it's protection from the thorn  
Protection from the thorn of life you choosed you as you grow  
The nail is a guardian until you're a child no more

On the fingers of one hand  
On the fingers of one hand  
Life can all be counted  
On the fingers of one hand

Count your second finger as you come of age  
Right and wrong is clearer when you reach this page  
And when you meet a girl you love accordin' to life's plan  
The day you age you count the middle finger of your hand

On the fingers of one hand  
On the fingers of one hand  
Life can all be counted  
On the fingers of one hand

When the Lord has blessed you with a tiny air  
Count the final finger say a thankful prayer  
Last of all you're countin' on the day your life is done  
From birth to death is not in vain you live on through your son

On the fingers of one hand  
On the fingers of one hand  
Life can all be counted  
On the fingers of one hand
