

Peace In My Soul

Sonny James

Peace in my soul, peace in my soul
Lord give me peace in my soul
And when nothing goes my way
Teach me to say
"Lord give me peace in my soul"

No sooner born than we start to die
Our life's just a menu seen in God's eyes
Through His grace we are here
We're not too proud in despair
So Lord give me peace in my soul

Peace in my soul, peace in my soul
Lord give me peace in my soul
And when nothing goes my way
Teach me to say
"Lord give me peace in my soul"

I'd rather know that my soul is at rest
Than to own all the world
But how sins to forget
Oh, I'll be satisfied if every day of my life
The Lord gives me peace in my soul

Peace in my soul, peace in my soul
Lord give me peace in my soul
And when nothing goes my way
Teach me to say
"Lord give me peace in my soul
Lord give me peace in my soul"
