

## Ramblin' Rose

Sonny James

Ramblin' rose ramblin' rose why you ramble no one knows  
Wild and wind blown that's how you've grown who can cling to a  
ramblin' rose  
Ramble on ramble on when you're ramblin' days are gone  
Who will love you with a love true when you're ramblin' days are  
gone

Ramblin' rose ramblin' rose why I want you heaven knows  
Though I love you with a love true who can cling to a ramblin'  
rose
