

# Till The Last Leaf Shall Fall

Sonny James

Well my life is in Thy hands oh Lord I give it all to Thee  
And until death I carry on till the last leaf shall fall from the tree

Well I came to Jesus as I was weary, alone and sad  
I found in Him a resting place and He has made, made me glad

Oh King of kings, take hold on me, let me teach Thy love for Thee

Can't you feel His love pleading with your heart, oh give Thy soul to Him

Oh shine your light, let your sad heart sing live up Thy voice with glee

His love will guide you to His arms till the last leaf shall fall from the tree
