

# When I'm Gone

Sonny James

Oh, who will take my place in your heart when I'm gone  
Who'll be by your side when you're telling me goodbye  
Tell me who will know the bliss of your tender loving kiss  
The kisses I will miss when I'm gone

When I'm gone, gone take your new love to the places where we g  
o  
Don't tell him all those sweet lies that made me love you so  
Oh, you know I'll set you free but I'll hang around to see  
Who'll take the place of me when I'm gone

Oh, who will take my place in your heart when I'm gone  
Who will hold your charms leavin' me with empty arms  
Tell me what you're gonna do when your heart breaks right into  
Who'll you tell your troubles to when I'm gone

When I'm gone, gone take your new love to the places where we g  
o  
Don't tell him all those sweet lies that made me love you so  
Oh, you know I'll set you free but I'll hang around to see  
Who'll take the place of me when I'm gone
