

Can You Hear Me

SONOIO

Nights return regrets
Time to think again
News fading
Falling off the cliff
Time to grieve again

I cannot fall asleep
And I cannot fall asleep
And I cannot fall asleep

I'm overgoing through the silence
(Can you hear me?)

Sun don't get in the way
Thoughts are here to stay
We're just waiting
Once again, regrets
Time to think again

I cannot fall asleep
And I cannot fall asleep
And I cannot fall asleep

I'm overgoing through the silence
Can you hear me?
I'm overgoing through the silence
Can you hear me?
I'm overboard with all the nonsense
Can you see me?
I'm overgoing through the silence
Can you hear me?
I'm overboard with all the nonsense
Can you see me?

Come over
Somebody
Nobody
Silence
