

# What About You

Sons Of The Desert

(tony mullins/tony toliver)

My alarm clock in the trash can  
At three a.m. last night  
I don't need no wake-up call  
'cause I can't close my eyes  
When I do you're all I see and all I dream about  
Girl you've started a fire in me and I can't put it out

I think it's the real thing baby  
What about you  
It's about to drive me crazy  
What about you  
Love's the only thing that makes me feel like I do  
Baby, what about you

If you dial my number and I'm not at home  
I left you a message on my code-a-phone  
If anyone else calls tonight they'll think I've lost my mind  
"cause it says "i love you, I love you, I love you" a million times

I think it's the real thing baby  
What about you  
It's about to drive me crazy  
What about you  
Love's the only thing that makes me feel like I do  
Baby, what about you

Love's the only thing that makes me feel like I do  
What about you  
I think it's the real thing baby  
What about you  
It's about to drive me crazy  
What about you  
Love's the only thing that makes me feel like I do  
Baby, what about you  
Hey, what about you  
What about you  
What about you  
What about you
