

Big Beautiful Bottom in My Face

Sophie B. Hawkins

I'm so hot, that's my attitude today
I'm like a movie-star, hey-hey-hey
I cross the street, will I be the same when I hit the other side?
Better look both ways, never know what hits you when sex is on your mind

I love your big beautiful bottom in my face (say what!)
I love your big beautiful bottom in my face
Oh, I'm as happy as a pig in outer space
When I got your bid beautiful bottom in my face

I get tired of working ----- too
It's summertime, I wanna wear no bra and don't wanna wear no shoes
I didn't lie, I said I am what I am just like the song
When it's good enough for me and it's good enough for God
and if you had me down, and I can't be wrong

I love your big beautiful bottom in my face (tell me about it)
I love your big beautiful bottom in my face
Oh, I'm as happy as a pig in outer space
When I got your bid beautiful bottom in my face (well well well)

La la la la, mmm-mmm-mmm-mmm-mmm-mmm
Woh woh woh
La-la-da-da-la (woh-woh-woh-woh-woh-woh)
Hi hi hi (oooooooooh)
Ho ho ho
Whistle whistle whistle whisltle
Whistle andigo
Hmmmmm

Listen here, it's good light to
Come on, come a little bit closer and a little bit more closer
I like you
As I love your big beautiful bottom in my face
The I'd love some swordfish to feel the extra space
Of all the lucious lucious people, different sizes, shapes and colors
too
But none of all (none of all) have a bottom (noo) at all like you

I love your big beautiful bottom in my face
I love your big beautiful bottom in my face
Oh, I'm as happy as a pig in outer space

Better go now
Bye bye
Mmmmmmm...

And so long for now.
