Lose Your Way

Sophie B. Hawkins

[Soft whisper:] Tell me what to to I have no confidence And I can't see why I should But I could do most anything for you And you know I would I try too hard And then I give up way too easily I'm the runner-up inside of you And you're the winner inside of me Lose your way And I will follow Here today And here tomorrow Like my freedom I know I'll never let you go I still wish on the evening star And I s'pose I always will Every child loses something a whole life can't fulfill And when you cry I feel the sky burst open in my veins If loving you makes a slave of me then I'll spend my whole life in chains Lose your way And I will follow Here today And here tomorrow Like my freedom I know I'll never let you go Walk the line I'll walk inside you Change your mind Let your love decide you It's the reason I know You'll never let me go Never let me go Oh no, no, baby Never let me go Ahh, ahhh ain't that right now, baby Lose your way And I will follow Here today And here tomorrow Like my freedom I know I'll never let you go Walk the line I'll walk inside you Change your mind Let your love decide you It's the reason I know You'll never let me go Tištěno z www.txp.cz
