

Just For You

Sophie Barker

Have I been dumb letting you go?
Wasting your time didn't you know?
Sometimes I scream, sometimes I shout
And I say things I don't really mean

And this time I spent with you
Made me happy and made me sad too
But it's time I spent with you
Time I spent with you

And I can change too
And I can change too

Over these weeks I realised
I don't understand and I'm in disguise
Of what I really feel
Of what I really feel

And I can change too
And I can change too
And I can change too
Just For You

And I can change too
And I can change too
And I can change too
Just For You
Just For You
Just For You
