

# Maybe I

Sophie Barker

Wished you goodbye  
On that lonely night  
I remember  
Your head in your hands  
Looking down  
Time apart  
Is what you said to me  
Just for a while I feel.

Could it be that I can't decide on anything?  
Maybe I just need some time to myself

Babe you're the best  
The Best for me  
There's no doubt  
How lucky I feel  
Maybe I, maybe I'm afraid I'll get used to you  
Getting used to you, means I might lose you too

Could it be that I can't decide on anything?  
Maybe I just need some time to myself

Could it be that I can't decide on anything?  
Maybe I just need some time to myself

To myself  
To myself  
To myself  
Myself  
Myself  
To myself
