

# Paper Thin

Sophie Barker

Broken down  
This time around  
Words are so paper thin

Every word  
You speak you mean  
But what about everything in between

I'm out of love  
Taking it slowly  
Getting closer

Missing me  
I can feel  
There's no use communicating  
It's confusing me

Sometimes we need to be alone  
So that we can grow  
So that we can grow

I'm out of love  
Taking it slowly  
Getting closer

I'm out of love  
Taking it slowly  
Getting closer

I'm out of love  
Taking it slowly  
Getting closer  
Falling again  
Falling again

Taking it slowly  
Getting closer  
Falling again  
Falling again
