## I'd Be Broken

## Sophie Zelmani

Darling, hold on my love
Hold on to my touch
a little bit more
For all affection
that I've grudged you
For all loads I let you carry
I owe you

Ashamed to be someone who took you for granted Who took and demanded the whole of you

So darling, hold on to my love Hold on to my touch a little bit more

'Cause I'd be broken
I'd be broken
I'd be broken, without you

All the visions would mean nothing I need tour touching getting to my soul

So darling, hold on to my love Hold on to my touch a little bit more

'Cause I'd be broken
I'd be broken
I'd be broken, without you

From now on, I'll always share
my loving mind
I'll put my heart into your soul
I'll be tender, I'll defend for you
I'll give it all, that belongs to you
