

Are You Ready To Fly

Sophie

Deep inside in my heart
I have a message for your satisfaction
Do you feel it's ok for me to fly
Around your love emotion

Are you ready tonight
Are you ready to drive in paradise
Are you ready tonight
Are you ready to fly
With me?

Yes are you ready to fly
Running over the night
Take this way (and) your satisfaction
You are my only delight
Cause my feeling is right
Dancing in the moonlight everytime

It's so magic this way
I'm getting ready for your passion
Watching over the sky
With me in fly (it's) a real situation
