

Lovely Passion

Sophie

Are you ready for my love
Ready to fly
And looking for a feeling
Please don't drop me now
Drive me to the sound
Another day with your love inside my heart
With your lips

Lovely passion
Like a pleasure in the night
Lovely passion
Babe touch me - make me high
Lovely passion
Out of love and out of life
Lovely passion
Lovely crazy passion
Satisfaction

Everynight and everyday
Show me the way
Your love is my desire
