

Magic Time

Sophie

Paradise in my life
Full of beautiful things
Around around of my time
I can keep now all the sweetest sensations

Many days
Many nights
In searching for a magic lover
Full of passion
A night incredible
The love is fabulous
Deep inside my heart now

Magic time
Tonight my magic time
Full of music and passion
Sweet sensation
You and me in extasy
Magic time
Tonight my magic time
Full of rhythm and passion
Supernatural
C'mon to me and set me free
With your love

Lovely night
Side by side
All the stars in the sky
Without the clouds
Magic moon
My sensation
Like a burning emotion
