

Stop The Music

Sophie

Whatever you say
I don't want you to leave now
Whatever you do
I keep on loving you

I don't wanna cheat my feeling
The magic of the promise that you made to me
This will last forever you're the only lover
Love is not your game

Stop the music when you leave me
Don't say that you love me
Take the night away
Stop the music if you love her
Don't say mine forever
It's time to run away

Somewhere deep inside
I keep a place for you now
Open up your mind
I keep on loving you
