

All For You

Soraya

Don't ask me why I look at you that way
Why I tremble inside every time you touch my face
If you wonder why tears well up in my eyes
There's a storm in my heart falling like rain from a summer sky

All for you
It's all for this moment
I hold onto every second like a lifetime stolen
All for you
All for this feeling
When I'm in your arms I know that I am breathing
All for you

Don't ask me why I do the things I do
There's no logic or reason when emotions guide you through
If you wonder why I hold you so close to me
My soul overflows and paints my devotion on your skin

All for you
It's all for this moment
I hold onto every second like a lifetime stolen
All for you
All for this feeling
When I'm in your arms I know that I am breathing
All for you

Don't ask me why I keep it all inside
It's that your love is my treasure and it's safe within my mind

All for you
It's all for this moment
I hold onto every second like a lifetime stolen

All for you
All for this feeling
When I'm in your arms I know that I am breathing
All for you
