

Because The Night

Soraya

Take me now baby here as i am pull me close try and understand
desire is hunger is the fire I breathe love is a banquet on which
we feed

Come on now try and understand the way I feel when I'm in your
hand take my hands come undercover can't hurt you now, can't hurt
you now, can't hurt you now

Because the night belongs to lovers because the night belongs to
life because the night belongs to lovers because the night belongs
to us

Have I doubt when I am alone love is a ring on the telephone
love is an angel disguised as lust here in our bed until the morning
comes

Come on now try and understand the way I feel under your command
take my hands and the sun descends can't touch me now, can't
touch me now, can't touch me now

Because the night belongs to lovers because the night belongs to
life because the night belongs to lovers because the night belongs
to us (2x)

Come on now try and understand the way I feel under your command
take my hands and the sun descends can't touch me now, can't
touch me now, can't touch me now

Because the night belongs to lovers because the night belongs to
life because the night belongs to lovers because the night belongs
to us (2x)

Because the night belongs to lovers Because the night belongs to
us
