

## No Saviour

Sorry Boys

No Saviour no Father for me  
No prayers no Churches for me

Never do this consolation to me  
Little private isolation  
It feels like God

I do expect I do expect I do expect  
Nothing, no no

No Saviour no Father  
No no  
No Saviour no Father  
No no

I do expect I do expect I do expect  
Nothing, no no

No, no...

No Saviour no Father  
No no  
No Saviour no Father  
No no
