

Roe Deer At A Rodeo

Sorry Boys

Forever I'll be there
Wherever you'll see me
I'm still like a roe deer at a rodeo
I'm still like a roe deer

Far away from the forest
Far away from grass and trees
I'm still at the rodeo
I'm fighting
I'm still on the road

How deep it is in me
[Roes go to heaven]
How deep it is in me
[Roes go to heaven]
How deep it is in me
[Roes go to heaven]
I'm a roe deer
I'm a roe deer

Anyone can see me
Wave to me and say "hello"
I'm really a roe deer at a rodeo
I'm really a roe deer

How deep it is in me
[Roes go to heaven]
How deep it is in me
[Roes go to heaven]
How deep it is in me
[Roes go to heaven]
I'm a roe deer
I'm a roe deer
