

Caged Rat

Soul Asylum

Why don't you go home and crawl into your hole
Why don't you go home and spend some time alone

In the corner I looked across the room
To the other corner, I knew I'd be there soon

Caged rat (12x)

In the corner I looked across the room
I knew I'd be there soon, in the (other) corner

Caged rat (12x)

Why don't you go home and crawl into your hole
Why don't you go home and spend some time alone

From the corner I looked across the room
To the other corner, I knew I'd be there soon
