Can't Even Tell

Soul Asylum

I may never get what I want But I'm happy to just die trying And I hope I ain't done nobody wrong But I miss you smiling

And I'm looking for a cure 'cause I'm bored to tears And I'm stuck in here, stuck out here, stuck in here

We lived through another day It's a good excuse to celebrate Take a number, knock on wood We'll find a reason to feel good

I know, you know, I wanna know how I feel I can't even tell I can't even tell I can't even tell

No one knows nothing about me I'm guessing I'll just keep 'em guessing No one sees what I see This is my blessing

And I'm looking for a way to get out of here Get me out of here, out of here, out of here

We lived through another day It's a good excuse to celebrate Take a number, knock on wood Find a reason to feel good

I know, you know you wanna know how I feel I can't even tell I can't even tell I can't even tell

I'm out of here, out of here, out of here I know, you know, I want to know how I feel I can't tell

I know you know, I'll tell you if it's real It sounded like a bell I can't even tell I can't even tell
