

Candy From A Stranger

Soul Asylum

When a young boy wants to die
Thinking he might try taking his own life
And from up, from behind
Put the gun to his side and said:
Give me all your money
Your money or your life
Candy from a stranger
Candy from a stranger
Candy from a stranger
Ca-ca-ca-ca-candy from a stranger
When an old man said he wants to live
Telling the doctor he's got more left to give
Doctor says that you pay or you die
Give me all your money
Money or your life
Candy from a stranger
Candy from a stranger
Candy from a stranger
Ca-ca-ca-ca-candy from a stranger
Give me all your money
Money or your life
Candy from a stranger
Candy from a stranger
