### Soul Asylum

Almost gave up yesterday, almost made it to the top  
Short of dying just the other day, fell short of picking up a mop

If it's the thought that counts, you can always count on me  
I think about it all the time  
It's going to hit me like a bolt of white lightning  
Here it comes, my peace of mind

Cause I'm close, so close, so close  
I'm close, so close, so close

Falling short of proving it, just a hair from the truth  
Little shy of improving it, here I come, I'm coming through

Pretty soon I'm going to shed this skin I'm wearing  
I've been keeping it inside  
No one cares just how you got there  
No one cares how hard you've tried

But you're close, so close, so close  
You're close, so close, so close

Well I've known you forever, we complete each other's thoughts  
Ain't like we never got in trouble, it's just we've never gotten caught

And if you've got a secret  
It's in me you can confide  
And if we ever get split up  
I'll always be on your side

Cause we're close, so close, so close  
We're close, so close, so close
