I Know

Soul Asylum

I know what you're doing, yeah I know why you dialed my number I know what you're doing, yeah I know why you care I know what you're doing, yeah I know why you say you love me I know what you're doing, yeah And I don't think it's fair I know why you dialed my number I know why you say you're mine I know what you're doing, And it's not, gonna work, this time I know what you're doing, yeah I can never sing in that key I know what you're doing, yeah And you're the one to blame I know what you're doing, yeah I know why you can't forgive me I know what you're doing, yeah The lyrics haven't changed I can recognize the symptoms You should know I've changed my mind I know what you're doing And it's not, gonna work this time It's not gonna work this time Not gonna work this time Not gonna work this time I know what you're doing, baby I know why you call my name I know why you say you love me But I can't say the same
