

## Keep It Up

Soul Asylum

I'm down here waiting on a shattered heart  
I'm gonna put it back together if it tears me apart  
If I can keep it up.. If I can keep it up

I been complaining like a broken record  
Gonna get what I want, if it takes forever  
If I can keep it up... If I can keep it up

Though the rain weighs down your wings  
Still the caged bird's got to sing  
Singing "Na na na na na na na na na"

I know it seem funny, try to understand  
It's just that things don't always go the way you plan  
Still you keep it up... Still you keep it up

Nothing in the world's gonna keep me down  
I'm just a holding out, and just a hanging around  
Trying to keep it up.. Just to keep it up

Though the rain weighs down your wings  
Still the caged bird's got to sing  
Singing "Na na na na na na na na na"

Keep it up.... Keep it up

A seven forty-seven's gonna take us away  
Take us up to heaven, gonna be okay  
If we can keep it up.. If we can keep it up

Though the rain weighs down your wings  
Still the caged bird's got to sing  
Singing "Na na na na na na na na na"
