

## Losin' it

Soul Asylum

Go ahead, spit it out, I can take it  
Don't do this don't do that, try and fake it  
I, I, I have seen it all

Tell me there's something wrong, make me see it  
How I try, I must be wrong, it must be me  
I, I, I've been wrong before  
And I confess, that I am having a hard time  
And I confess, that your hard time's harder than mine

When it's over (when it's over)  
I'm coming over  
Use your shoulder  
Soon be over

But I'm losin' it, losin' it, losin' it  
Losin' it, losin' it, losin' it

Suck it up rip it out, still I'm learnin'  
Light it up, put it out, keep it burnin'  
I, I, I've been burned before  
Come on out I know you can make me happy  
Little smile just ahead, make it happen  
I, I, I have smiled before  
And I confess, that I am having a hard time  
And I confess, that your hard time's harder than mine

When it's over (when it's over)  
I'm coming over  
Use your shoulder  
Soon be over

But I'm losin' it, losin' it, losin' it  
Losin' it, losin' it, losin' it  
Losin' it, losin' it, losin' it

I am having a hard time
